The MARYLAND FAERIE FESTIVAL is accepting Ads for the 2018 Printed Map/Brochure!

It is a foldout, full color, two-sided document, with a large map of our festival site on one side, and the program on the other. We print 2500 copies to hand out to our festival patrons, as well as to market post-event. For example, we recently passed out our brochure at FaerieCon, the Faerie Worlds event held at Hunt Valley last fall. Your advertisement will be elegantly placed around the festival map. Our goal is simply to help subsidize the cost of printing the map/brochure.

A printed **2x3.5 business card sized ad in the program is \$100**

Larger spaces for a 25% discount:

- 4x4 inches for \$150
- 8x2 inches for \$150
- 4x9 inch panel for \$300

The resolution should be 300 dpi minimum. More is better. It will be printed in 4 color process. We can accept most file formats.
